To qualify, applicants must: (1) hold a state license as a real estate agent, broker, appraiser, property manager or home inspector; or (1a) having successfully completed **the Certified Home Staging & Redesign Program** from the NY Centre for Art, Building & Design division (2) complete a minimum 22.5 hour course offered through the School's online division; (3) pass a qualifying examination (this requirement applies to individuals with less than 3 years experience as a licensee in their noted field; (3) agreement to follow the **Ethics & Standards of the Program**; (3) completion of a 22.5 hour program through the school once every two years. \*Please note: in some cases an in-class program may qualify as well, email the Educational Coordinator for questions regarding this. Feel free to email the school for more information at: [wnyres@gmail.com](mailto:wnyres@gmail.com).

Full designation status is achieved once a candidate completes a "qualified" program, passes a qualifying examination, agrees to additional continuing education in the field and signs an application agreeing to abide by the program's strict code of Ethics.
